It’s Christmas Time in Farmingdale

Except for the snow, Farmingdale seemed to have everything ready for the holiday season. Our picture composite shows top left an East Farmingdale Fire Department truck with Snoopy on top visiting Main Street. Below Donna Lang, 9 (left) and Wendy Castaldo, 10, visit with Santa Claus as does three-year-old Aaron Siegel in the picture at right. Santa gave his booth at the corner of Main and Park Ln from the Farmingdale Chamber of Commerce.

Scenes such as shown top right were seen frequently in Farmingdale, as a family heads home with a Christmas tree secured to the top of their car. Village Hall is contributing to the Christmas spirit by allowing free parking (center) and covering the meters with an appropriate message. Center bottom, Dave Allen is encouraging Main Street passersby to “Share with others” in the Rotary project to assist the Salvation Army.

Isabel Dodd Receives Margiotta's Nod

After conferring with the Nassau County Republican Executive Committee, Assemblyman Joseph M. Margiotta, Chairman today announced that he will recommend that Oyster Bay Town Clerk Isabel Dodd be named Commissioner of the Nassau Board of Elections, replacing the retiring Commissioner, William D. Meinerz.

Mrs. Dodd of Sea Cliff, who was elected Town Clerk in 1971, held the position of Deputy Elections Commissioner for three years prior to her election.

"I have known Mrs. Dodd to be a hard and conscientious worker for many years," Margiotta said.

"She is a stickler for detail and for seeing that every task is completed properly. This coupled with her excellent record of Elections led me to believe she is the best person to fill the position."

Although the power to recommend a Town Elections Commissioner rests entirely in the hands of the party, Margiotta first offered his selection of Mrs. Dodd to the 85-member GOP Executive Committee. "The Executive Committee also agreed that Mrs. Dodd was well qualified for the position and supported my selection," Margiotta explained.

Mrs. Dodd's appointment will now be sent to the Nassau Board of Supervisors for approval.

In addition to her experience as Town Clerk and Deputy Commissioner of Elections, Mrs. Dodd spent 11 years as a legislative aide to State Assemblymen.

Mrs. Dodd was the first woman ever to be elected Town Clerk in Oyster Bay.

What Is Christmas?

What is Christmas? Christmas is kids. Christmas is a toddler under a Christmas tree, mystified by the magic of a music box. Christmas is bright eyes and a rosy nose and a new sled. Christmas is a little girl in a department store and the solitary joy of a youngster. The little children dressed as Wise Men in the Christmas pageant.

Christmas is wet mittens and impatient tangles of icicles around the bottom of the Christmas tree. It is the voices of carolling children and children who want to be comforted. It is kids sitting on Santa's lap in a department store and the solitary joy of a youngster dragging a fresh-cut spruce across a snowy pasture. It is a two-year-old experiencing ribbon candy and a sixteen-year-old trying to gift-wrap a present for his girlfriend.

Christmas is bikes and dollhouses and Teddy Bears and puzzles and model planes and battery toys without batteries and slippers and small, anxious voices at daybreak on Christmas morning. Christmas is the innocence and purity of children's eyes, their total lack of cynicism or suspicion, their unquestioning belief that nothing is impossible, and that everything, unique or mundane, is worthy of wonderment and deserving of investigation.

Christmas is everybody's holiday and it means many things to many people. But for the overwhelming majority of us, Christmas is mostly for and with and about kids.

The Lion's Roar

This week saw limited action at Farmingdale High as most of the teams are still involved in non- league action and are awaiting the start of the regular season after vacation.

Swimmers third
John DeMarie's swimmers surprised the coach by taking a third place behind Long Beach and Farmingdale, two of the best, in the Nassau County Coaches' Relays. Out of the 14 schools, the Dolphins finished 20 points ahead of the fourth place finisher and Plainview, two of the best, in surprise to the coach by taking a confidence that his team is on the move. At the relays the team set the new mark. Farmingdale's 200 yard medley relay Costigan, in the 400 yard free style and then three records as he combined the first league meet at home on January 3. He feels that once swimming gets the big expense that other sports get there will be more of an active participation.

Wrestlers wait
The wrestling team had no official matches this week but the Aggie schedule three scrimmages. The team is awaiting the Aggie Tournament on December 22-23.

Farmingdale basketball team extended its winning streak to three as it defeated two opponents this past week. In a close one, the Dales, led by guard Tom Marzagali a sophomore who had 14 points and 19 assists, combined with Jim Graziano, who had 18 rebounds and blocked 7 shots to compliment his 20 points were the stars on Tuesday. The Dales came out in the first half and scored the first ten points in a row before Locust Valley had their sneakers on. The margin closed to seven at halftime. In the second half, the Dales scored six unanswered points to open it up. Tim Lye scored 14 of his 16 points in the second half and with less than five minutes in the game Coach Carl Savalli emptied his bench. When I talk to Carl be constantly stresses that his victories are as a result of team effort. The Hoistgers have now won in a row, the longest streak of Savalli's reign as coach.

DeMarie thanks Sue Ryan for her letter of appreciation. A tip of the hat to Mark Spitz, sophomore Steve Ruska, was in on the other three records as he combined with Cottone, Byun, and Graziano in the 400 yard freestyle and then set the individual 100 and 200 yard freestyle records. DeMarie hopes that there will be a big turnout for the first league meet at home on the Nassau County Coaches' Relays. Out of the 14 schools, the Dolphins finished 20 points ahead of the fourth place finisher and Plainview, two of the best, in surprise to the coach by taking a confidence that his team is on the move. At the relays the team set the new mark. Farmingdale's 200 yard medley relay Costigan, in the 400 yard free style and then three records as he combined the first league meet at home on January 3.
